

EPWORTH UMC SNOW POLICY

If Williamson County Schools close or are dismissed early due to poor or threatening conditions, there will be no week night meetings, dinners or other activities. This information can also be found on the church answering machine.

In case of bad weather on the weekend, the Pastor will consult with the Church Council Chair, Sunday School Superintendent, Trustee Chairman and make a decision about Sunday School and Worship Services. Once a decision is made this information will be placed on the answering machine at church. If we have your email address on file, an email will also be sent with this information.
