

STEPPING UP AND STEPPING OUT IN FAITH

In this season of reclaiming, restoring, refreshing and reminding - may we remember God's banner of love over our life and legacy. May we be inspired to step up, and to step out, in love and in faithfulness. May we renew our commitment to God, to the building up of the Kingdom of God, and to the honoring of the relationships that God has blessed us with. May we pour into the present, and the future - what has been so faithfully, and lavishly poured out into our lives and journeys of faith.
